1 QualityRelease 5065.005 | User

1.1 QualityRelease 5065.005 | Introduction

Dear SwissSalary customers,
Dear SwissSalary partners,

This QualityRelease contains adjustments and corrections for customers who are already using at least SwissSalary version 5065.000.

For further information on the content of versions 5065.000, 5065.001, 5065.002, 5065.003, 5065.004 and 5061.401, please refer to the corresponding manuals.

Customers are responsible for performing SwissSalary updates. Our support team or your Dynamics365 partner can assist you if necessary. This responsibility also lies with customers for SwissSalary365 (Cloud), and SwissSalary does not perform updates automatically.

Your SwissSalary team

1.2 Payroll

1.2.1 Payment file | Standard debit account

Task #6576 | 5065.005

If a default bank account has been stored in the Allocation Group, this account is always selected as the debit account when creating a payment file, even if a different debit account may have been used when the last payment file was created.

1.3 Reports

1.3.1 Reporting and EasyReport Card | Break Deduction

Task #4770 | 5065.005

The automatic break deduction is displayed correctly on the EasyRapport card, the reporting card, and in TapBoard.

1.4 Interfaces

1.4.1 UKA 9.1 | Workplace code

Task #6834 | 5065.005

Depending on the settings on the Request Page, the code of the department, the code of the workgroup, or no value is now output in the 'workplace Code' field.

Setting for the work code on the request page

- Work code = empty: the Workplace Code field is not displayed.
- Work code = department: the Workplace Code field contains the department code.
- Work code = work group: the Workplace Code field contains the work group code.

1.5 KLE

1.5.1 KLE | Company names on accident reports

Task #4031 | 5065.004

The number of characters allowed for company names on health insurance/accident cards has been increased.

1.5.2 KLE | Daily allowance statement

Task #6052 | 5065.005

The report for daily allowance accounting has been improved so that the correct information is now printed in the event of illness or accident.
