1.1 QualityRelease 5066.004 | Introduction

Dear SwissSalary customers,
Dear SwissSalary partners,

This QualityRelease contains adjustments and corrections for customers who are already using at least SwissSalary version 5066.000.

For further information on the content of versions 5066.001, 5066.002 and 5066.003, please refer to the relevant manuals.

Customers are responsible for performing SwissSalary updates. Our support team or your Dynamics365 partner can assist you if necessary. This responsibility also lies with customers for SwissSalary365 (Cloud), and SwissSalary does not perform updates automatically.
